

IT'S 3:00 A.M. ARE YOU READY FOR YOUR PDMA AUDIT?

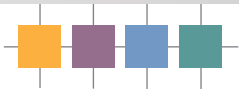

Worrying about unreconciled sample shipments, out-of-date practitioner certifications, process gaps and possible significant losses can make for a long night. And a longer day. Fortunately, there's a way to put your concerns to rest: PharmaComply, our comprehensive sample management and accountability solution.

Currently providing sample accountability for over 3500 field-force personnel, PharmaComply handles document imaging, reconciliation, audits/closeouts, sample returns, alternative sampling and more. In other words, everything you need to automate your compliance processes, reduce staff loading and improve your business results.

For more information, call 1-800-213-5275. Go *Pharmagistic* – and stop losing sleep over PDMA compliance.
