BEFORE PHARMAGISTICS.

AFTER PHARMAGISTICS.

Our integrated services let you streamline and single-source your marketing, logistics and compliance needs.

Keeping your field forces supplied with samples and literature. Fulfilling practitioner requests. Meeting customized program requirements. Managing inventory, handling returns and keeping track of it all to PDMA requirements — you have enough to do, without having to do it all yourself. Fortunately, there is an easier way: Marketing, Logistics, Compliance and Consulting solutions from Pharmagistics.

Used together, PharmaShip,™ PharmaDTP™ and PharmaComply™ provide all the services you need. Along with the convenience of Web-based ordering and management, comprehensive real-time data, and significant savings on facilities and staff overhead.

For more information, **call 1-800-213-5275**. *Go Pharmagistics* — and notice how easy it is to improve your business results.
